

EDU 365 – Ways of Knowing

Prerequisites: EDU 361; successful completion of 6 courses in the student's content area major

The Ways of Knowing courses are specific for each area of secondary certification offered at Roger Williams University: Science, Mathematics, English, History, Foreign Language and Dance. The purpose of the course is to provide pre-service teachers with the knowledge needed to teach their specific disciplines. Collaborative arrangements with school districts will ensure that students will spend time in the field to learn first-hand instructional and assessment strategies pertaining to their content areas.
