Helpful Tips/Info:

- Begin your internship search at least a semester ahead of time.
- Be aware of the tuition cost for internships. An internship will be included in your fall/spring tuition, if you are taking 19 credits or under. It will result in a separate tuition bill if taken during the Summer/Winter terms.
- For every credit you receive, you will be required to work 45 internship hours (ex: a 3 credit internship requires 135 hrs).
- Grade type (pass/no pass or letter grade) varies depending on major and faculty sponsor.
