Helpful Tips/Info:
- It is recommended that you begin your internship search at least a full semester before the semester you plan to complete your internship. It takes time to search for an opportunity, interview and register.
- Be aware of the tuition cost for internships. An internship will be included in your fall/spring tuition, if you are taking 19 credits or under. It will result in a separate tuition bill if taken during the Summer/Winter terms.
- The deadline to register for your practicum class/internship is the same add/drop deadline as regular classes.
