- There are no Second Readings at this time

## 3. First Readings

### Gender & Sexuality Studies

GSS Core [Concentration in Gender and Sexuality Studies, CORE](#)

- Approval of the Program by the CCC noted in Curricunet however...
- Some of the related courses listed are not yet approved by the Dean of CAS and therefore we cannot approve until the related courses have passed through CAS CC and appear in our queue.

GSS 430 [Special Topics in Gender and Sexuality Studies](#)

- Motion to approve pending recommendation to change to variable credits: 3-4 credit. The Committee requests that the petitioner inform the committee of its decision whether or not to make that amendment:  
White, Cutting; Motion passed unopposed
- CHAIR NOTES: Petition moved in Curricunet prior to Senate vote (mea culpa - I didn't know there wasn't another layer between our committee and the Provost in Curricunet. Perhaps this should be corrected?) Also, it appears that once the petition goes beyond our committee, adjustments and recommendations that do not impact content cannot be made by the petitioner or the committee chairs (typos, etc. -- in this case changing the petition to accommodate variable credit of 3 or more credits for a special topic course.) We should investigate how we can fix that.

- 4. Minor Changes** – Any Minor Change items received before 9/22 will be in the e-Ballot scheduled for 9/23. Committee members may approve or ask that the petition be brought to the next meeting.

**Department of Psychology**

Bank the following items:

- [323 Psychology of Leadership](#)
