

SJS Curriculum Meeting

11-18-15

Present: Melissa Russano, Doug White, Tricia Martland (Katrina Norvell and Michael Hall could not attend but shared their votes prior to the meeting).

1. CJS 539: Overall support for the petition. Did not see a syllabi attached to the petition. Knowing the petition cannot go any further, committee recommends petitioner add the syllabi before forwarding to the Faculty Senate. Members also asked that syllabi be shared with SJS Curriculum members via e mail.
2. AS Criminal Justice: Overall support for the petition. Discussed the merit of the requirements chosen and approved the petition unanimously.
3. Discussed the idea of opening up the CJS "4 plus 1" program to other majors. General support was expressed by members of the committee. Also discussed the idea of opening up the program to students outside of RWU – there was general support for this idea as well.

Meeting adjourned.
