2:00-3:30 GHH 301

Members in attendance: Lindsay Gumb (Library), Lauren Rossi (MNS), Roxanna Smolowitz (MNS), Laura Turner (SS), Adria Updike (MNS), Bonita Cade (SS), and Judy Platania (SS).

1. Committee Business

- minutes-taker - Platania
- **Minutes of 9/25/2017 SSNS CC meeting – Approved 4-0-2.**
- Quorum not reached in eballot distributed after last meeting. As a result discussion will ensue on remaining issues with B.A. and B.S. in Biology
- New chronological Courses/Programs Pending in queue: none.

2. Second Reading

- Major School Program Modification BIO B.S. in Biology and B.A. in Biology (discussed edits in the context of both programs)
 - Issue with BIO 390 and BIO 333 – bottom line is that only one can count
 - One statement on 390 or 333 with respect to what is counting towards the major
 - Statement does exist in current catalog concerning some restrictions on courses counting toward electives.
 - obtain clarity in the actual program and provide in the *pdf* document in the petition
 - *pdf* names for each course need to be switched in this document and add lab to BIO 390 Biochemistry and Lab
 - BIO 210 and 215 courses are *or* in Program Summary for BS
 - BIO 315 and 318, 362 and 363 are *or* pairings in Program Summary for BA
 - Math 214 needs an *or* (most probably) MATH 218 Calculus II for Life Sciences
 - BIO 376 and 393 are missing from program sequence as electives in both BA and BS

Motion to approve on second reading, pending edits: AU/LT 6-0-0.
