

## Disney College Program

As a Disney College Program participant, you'll become part of the magic that is known worldwide. Gain valuable, on-the-job experience working in our parks and resorts, participate in college coursework, and have the opportunity to meet and live with people from all over the country and potentially the world in company-sponsored housing. This truly unique five- to seven-month program allows participants to network with leaders, take part in personal and career development classes, and build transferable skills such as problem-solving, teamwork, guest service and effective communication.

### Basic Qualifications

In order to submit an application for the **Disney College Program**, applicants must meet the following requirements.

**1. Applicants must be currently enrolled and taking classes at an accredited program or institution and have completed at least one semester OR have graduated within the past six months.**

- Applicants who have not yet graduated from high school but have dual enrollment with a college are not eligible to apply.
- Those who have taken college courses, but are currently taking "time off" from school are not eligible to apply.
- College freshmen may apply during their first semester of school to participate during their second semester. The Disney College Program cannot serve as your first semester of school.
- College seniors may apply for the program and participate immediately after graduation, but must be enrolled in school at the time of their interview. Seniors graduating in December are eligible to apply for either the Spring Advantage or Spring programs.
- Graduate students may apply. However, it is important to note that this program and its educational components, are designed for undergraduates.

**2. Meet Any School Requirements for Participation** Applicants also must meet any additional criteria their school requires for participation in our program. This may include G.P.A., grade level, and number of credit hours earned. Schools will be contacted to verify eligibility.

**3. Be at least 18 years of age by the time the program begins** All participants must be at least 18 years of age by their arrival date.

**4. Possess Unrestricted Work Authorization** Participation in this program also requires unrestricted work authorization.
