

Hello,

In the event you test positive for COVID-19 throughout the academic year, you are **required to report your positive test result** through the form below:

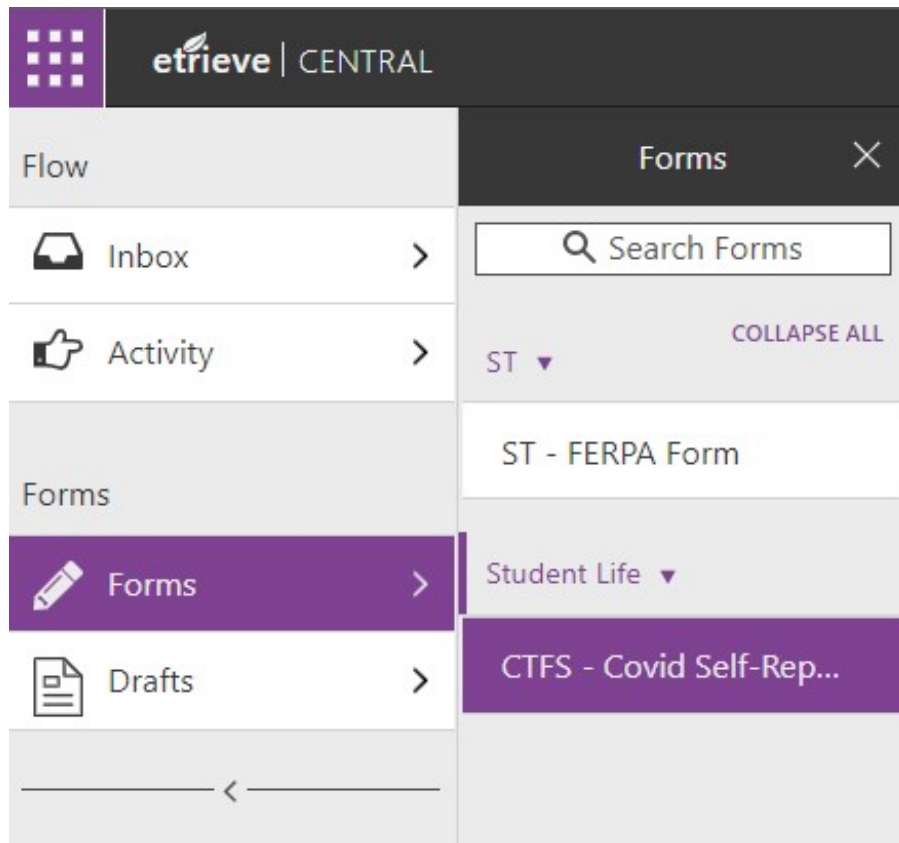

[CLICK HERE TO REPORT](#)

Please follow the instructions below:

Click the link above and then make sure to click the icon on the new page:

Once you log-in with your RWU single sign-on (@academics), navigate to the COVID Self Reporting Form

All of your personal information will be already completed, you are required to complete the rest of the form with necessary information and then click "SUBMIT"

Date Tested

Are you symptomatic?

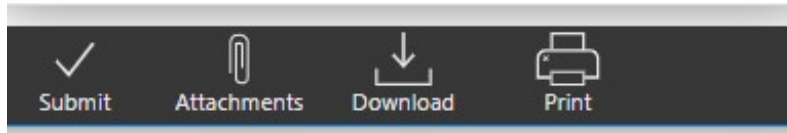

Yes No

What is your plan for your isolation period?

Please let us know if you have any questions about the isolation period:

You will receive formal guidance via email once your isolation plan has been finalized.

If you are submitting this form after normal business hours (Mon-Fri 8am–5pm), please contact Public Safety at 401-254-3611, inform them that you are COVID+, and ask to speak to the Residence Life Professional Staff member on-call to receive guidance.

Upon successful submission, you will either receive automatic guidance regarding your isolation period or your case will be forwarded to a member of the COVID Compliance team who will review your situation and then provide you with your individualized isolation guidance.

If you have any questions about this process or would like to remove yourself from this weekly email reminder, please email COVID19@rwu.edu for support.
