The screenshot displays a Jitsi web conference interface. At the top, there are tabs for 'Web Participants', 'Presentation', and 'Group & Private Chat'. The main content area is divided into three sections: a 'Web' participants list on the left, a central presentation slide, and a 'Chat' window on the right. The presentation slide, titled 'The Precision Approach', shows a diagram of a runway with labels for 'Glide slope (typically 3 degrees)', 'MAP', 'Decision height', and 'Runway'. A video feed of a participant is visible in the bottom right corner. The bottom of the interface features a 'Voice Participants' section and icons for 'Web Cam' and 'Desktop Sharing'.

COMMUNICATION

The image shows a screenshot of the Google Classroom interface. On the left, there is a sidebar with the Classroom logo and a 'CLASSMATES' button. The main area is titled 'Announcements'. At the top, there are tabs for 'STREAM' (highlighted with a red box) and 'STUDENTS'. Below the tabs, a text box contains the instruction: 'Post announcements that contain attachments, items from Drive, YouTube videos, or links. Select multiple classes to save time.' Below this, there is a 'POST' button (highlighted with a red box) and icons for attachments, Drive, YouTube, and links. A red arrow points from the 'POST' button to the 'Announcement' tab. To the right of the 'POST' button, there is a dropdown menu (highlighted with a red box) showing a list of classes: 'TED-EDU' (checked), 'Digital Literacy', 'Demo Class', 'Digital Literacy', and 'Help Desk'. A red arrow points from the text 'Send to multiple classes at once to save time.' to the dropdown menu. Below the dropdown menu, there is a section titled 'ASSIGNMENT 12:53 PM' and 'Media release forms'.

SKILL BUILDING

A screenshot of the Lynda.com website displayed on a tablet. The tablet is centered in the frame, showing the Lynda.com homepage. The background of the slide is a dark, moody image of a room with speakers and a brick wall. The Lynda.com logo is in the top left corner of the tablet screen, with 'FROM LINKEDIN' underneath. To the right of the logo is a 'LIBRARY' dropdown menu. Further right is a search bar with the placeholder text 'Search for the software or skills you want to learn' and a magnifying glass icon. The main content area of the tablet screen features the heading 'Become a Front-End Web Developer' and a large, bold title 'Learning Paths'. Below this title is the text 'Boost your skills. Stay sharp. Get ahead.' and further down, 'Industry experts teach you the knowledge and skills to start your career.' and 'Find your path. Start your journey.'

OER: Open Educational Resources: GETTING STARTED

GETTING STARTED ▾ FIND ▾ CREATE TEACH

What is OER?

OPEN = FREE + (5) PERMISSIONS

What kinds of materials?

OER are teaching, learning and research materials in analog, digital and interactive formats that allow faculty the ability to customize course materials instead of being bound to a traditional one-size-fits-all model

5 Defining Permissions of OER

OER is defined by the following 5 permissions, none of which are possible using copyrighted material:

- **Retain** - make, own, and control copies of the content
- **Reuse** - use the content in perpetuity
- **Revise** - adapt, adjust, modify or alter the content itself
- **Remix** - combine the original or revised content with other open content to create something new
- **Redistribute** - share copies of the original content, your revisions, or your remixes with others
