

Accessing EHS Online Trainings using Bridges

1. Login to Bridges using your regular RWU user name ("jsmith") and password.
2. On the grey left hand column of your Bridges home screen ("My Work Space"), click on the "Membership" button.

3. Click on the "Joinable Sites" tab

4. Click on the "EHS Training" site "Join Site" link (sites listed alphabetically)
5. The EHS Training site looks like this:

Welcome to the RWU Environmental Health and Safety Bridges site

Online Training Links

Please click on a link below to view a training video.

After viewing the video in full, close the video page and complete that course's e-Signature Page.

The e-Signature Page will provide an "Initial Report" after you click the "submit" button - this report is your completion certificate.

Please print or save this report as confirmation of your course completion.

Training Video Links	Audience	e-Signature Pages	Currently Trained
Bloodborne Pathogens Training	• All employees with potential occupational exposure	Sign for Certificate	Current List
Defensive Driving	• Students driving 9-12 passenger vans	Sign for Certificate	Current List
Emergency Evacuation and Hostile Intruder	• All employees at time of hire	Sign for Certificate	Current List

6. Click on the training video you would like to watch.
7. After watching the entire video, close out of the video page/window and go back to the EHS Training site.
8. Click on the e-Signature page link and complete the page.

After you submit your e-Signature page, you will get an “Initial Report.”
The “Initial Report” page is your completion certificate! Save & print a copy of the Initial Report.
