- A. Student occupancy in University Housing facilities is conditioned upon continued full-time registration and attendance in good standing as a student of the University, payment of all tuition, fees, charges, and assessments and compliance with all rules and regulations of the University.
- B. A University Housing space is provided only when the University is in session. Residents are not permitted to enter University Housing facilities prior to the opening of the residence halls without approval from the Department of Residence Life and Housing.
- C. **BREAK PERIODS.** Residents must vacate their living space during break periods. These periods include Thanksgiving Break, Winter Break, Spring Break, Summer and when otherwise stipulated by the Department of Residence Life and Housing.
- D. **CONTRACT EXTENSIONS.** Students with a legitimate academic need or students with severe or extenuating circumstances may apply for a Contract Extension through the Housing Self-Service Portal and must adhere to the deadlines established by the Department of Residence Life and Housing. Students who are approved for contract extensions (granted exceptions to come early, stay late or stay during a break period) will generally be assessed a fee of \$50.00 per night of occupancy. - F. **CLOSINGS.** University Housing Facilities will close as announced by the Department of Residence Life and Housing via posted notice/University email. Students must vacate their living space by the time indicated in the posted "closing" notice. Failure to vacate and properly close the room may result in a fine and/or conduct review.

G. OPENINGS. Opening dates and times will be announced in writing in advance.

## 7. MISSING STUDENT NOTIFICATION POLICY AND PROCEDURE

- A. A resident who expects to be away from their residence hall for four or more consecutive days while classes are in session is urged to inform their resident assistant (RA) and provide information about whereabouts and contact information in case of an emergency. Students are responsible for informing their parents/guardians of such an absence to avoid alarming them if they are unable to contact their student.
- B. Roger Williams University has established a Missing Student Notification Policy and Procedure for Students Living in On-Campus Residence Halls that allows students to designate an individual(s) to be contacted by the University if the student is determined to be missing by the Department of Public Safety or local law enforcement. The policy is available at the following URL: [https://www.rwu.edu/sites/default/files/downloads/RWU Missing Student Notification Policy and Procedure.docx](https://www.rwu.edu/sites/default/files/downloads/RWU%20Missing%20Student%20Notification%20Policy%20and%20Procedure.docx)
- C. It is important that all students maintain current emergency contact information on file with the University, regardless of whether they live in an on-campus residence hall or off-campus. Students should designate and update, as necessary, their emergency contact information in the Emergency and Missing Student Contact Information Section of Roger Central.
- D. To designate or update missing student contact information and emergency contact information, complete the following steps:
  - i. Log into rogercentral.rwu.edu
  - ii. Select "User Options" on the left side menu
  - iii. Select "Emergency Information"
  - iv. Make appropriate updates

## 8. HOUSING ASSIGNMENT POLICY

- A. The Department of Residence Life and Housing is responsible for developing and implementing a process in assigning University Housing to students. While efforts will be made to honor residence hall and roommate requests, **the University reserves the right to make assignments and whatever reassignments or adjustments that may be deemed necessary.** Each student agrees to meet the terms of the room assignment procedure as publicized by the Department of Residence Life and Housing. Failure to meet these terms may forfeit the student's right to a housing assignment.
- B. In order to accommodate a maximum number of students and to effectively use existing facilities, it may be necessary to assign some students to temporary accommodations. Withdrawals and cancellations will usually permit these students to be transferred to permanent rooms or apartments assignments. The University will determine the number of students to be assigned to each room or apartment. No more than this number of residents will be permitted in each area.
- C. Each August, the University will inform students whether or not the use of possession of alcoholic beverages will be permitted in the various residence areas. The University reserves the right to change the status of a residence hall or area during the year. Students who are unsure about the specific alcohol policy for the living area they reside in should contact their RA, Community Director, or the Department of Residence Life and Housing
- D. The University reserves the right to change room or hall assignments or to consolidate vacancies by requiring students to move when necessary. **When a vacancy occurs, the University reserves the right to assign a new occupant.** If the student already assigned to the room/apartment is resistant to the new occupant moving in, the current resident may be reassigned. This open space should be readily available with no inconvenience to the newly assigned student. It is the responsibility of the student already assigned to the room to insure the readiness of that space. This means that the current occupant must maintain the following conditions: beds/mattresses be separated and dressers/drawers/closets (or any other furniture provided by the university) must be kept empty, unused and clean. Failure to prepare the space for a new occupant may result in a fine and/or conduct review.
- E. The University reserves the right to make housing assignments, to move a student to another housing facility, consolidate open spaces and to remove a student from University Housing, when, in the University's opinion, general living conditions for any resident or the well-being of the University will be improved by such a move. Students must follow the conflict resolution process within the Department of Residential Life and Housing (i.e. discussing situation with an RA, bringing the matter to the attention of a Community Director, attempting to put forth mutually agreed

upon action plan, etc.). When roommate conflicts occur and the residents cannot resolve their differences, the Director of Residence Life and Housing, or a designee, may choose to move one or all residents of that room/apartment to any vacant spaces. Students will be responsible for any financial differences. The University reserves the right not to allow a student to sign into a certain area based on academic performance or conduct history. The University reserves the right to change room occupancy at the conclusion of an academic year.

## 9. ROOM/APARTMENT CHANGES

- A. Room changes are generally permitted throughout the academic year except for designated periods during the semester as stipulated by the Department of Residence Life and Housing. Students must follow the policy and procedures in room changes as announced by the Department of Residence Life and Housing. **No room changes will be permitted for at least the first two weeks of any semester to allow the Department of Residence Life and Housing the opportunity to ascertain where housing vacancies are located.** Room changes will also not occur while students are in temporary housing. Students that request a room change are responsible for any financial difference from one living area to another.
- B. No student will vacate, exchange, or transfer rooms/apartments without prior written authorization from the Department of Residence Life and Housing. **Students who do so may be referred to the Office of Student Conduct and Conflict Resolution.** Students who withdraw from University Housing without properly notifying the Department of Residence Life Housing and completing the appropriate paperwork will be assessed a \$50.00 improper checkout fee and an additional \$65 if their key is not returned. Students are not permitted to lease/sublease/rent any portion of the room/space/apartment.

## 10. RESPONSIBILITIES OF ROOM AND APARTMENT USE

- A. CHECK-IN/CHECK-OUT REQUIREMENTS. Students are responsible to check-in and check-out of assigned rooms as stipulated by the Department of Residence Life Housing. All students, for their own protection, are required to complete a **Room/Apartment Condition Report** form at the time they move into and leave University Housing or when a room change occurs throughout the academic year. Failure to do so prevents verification of room condition at the time of moving in when that condition is compared against the room condition at the time of moving out. In such cases, occupants must accept the University's assessment of damages. Students who complete an express checkout form waive their right to appeal any damages. A final inspection and damage assessment of all rooms/apartments will take place by University professional staff after all residents have vacated the residence halls. Students can refer check-in/check-out questions to their RA, their Community Director, or to the Department of Residence Life and Housing.
- B. KEYS/LOCKS. The University provides a lock for the exterior door of each room or apartment in University operated housing facilities. The student agrees to refrain from using additional locks or other security devices on any doors (including bedrooms) or to change any existing locks. The duplication of any keys is strictly prohibited. Each student must return all room or apartment keys at the end of the academic year, at the time of an authorized room change or upon withdrawal from the University. Room and apartment keys must be turned in at the time of check-out, within those guidelines stipulated by the Department of Residence Life and Housing.
  - i. Failure to return all keys will result in a fee being assessed to the student for a door lock change and a new full set of keys. In the event an occupant loses a room/apartment key, the student must report this to the Department of Residence Life Housing and follow the guidelines stipulated by the Department of Residence Life and Housing to be reissued a key. A fee will be charged to occupants for replacement of lost keys and/or door lock changes.
- C. ROOM AND APARTMENT PAINTING/FURNISHINGS/CARE. Students are not permitted to remodel, paint or to make any structural changes to the premises, outside or inside, nor to attach, detach or remove any furniture, or repair any damages. Rooms and apartments are supplied with appropriate basic furnishings, as determined by the Department of Residence Life and Housing. Students are not permitted to remove any furnishings, appliances, or equipment from their living quarters or other part of the University. No University furnishing may be placed outside. The University has the right to enter a student room for repairs, general maintenance of residential facilities, cleaning, and health & safety inspections.

- i. Students are responsible for cleaning their assigned room or apartment and for

returning living areas to the University in like condition, normal wear and tear excluded, upon withdrawal from University Housing. Repairs to any damages created in a room or apartment must be repaired by the appropriate University Department. **Students are not permitted to make their own repairs.**

Bag checks may be completed either inside or outside a building by any University staff member.
- F. **GUEST POLICY.** Residents may have guests overnight in their assigned rooms and apartments for a maximum of three days and two nights at any one time and must complete any necessary forms or paperwork as directed. Residents hosting an overnight guest must have permission from ALL roommates in the room/apartment. Residents are responsible for the conduct of their guests at all times and are responsible for escorting them while the guest is on campus. Residents will be held accountable for their guest's actions via the student conduct process. Residents are also held accountable for intentional abuse of the guest policy. The minimum age for an overnight guest is 16. University students who wish to host a guest under the age of 18 must get permission in advance from the Community Director of their residential community and complete the release form that can be obtained from their Community Director or from the Department of Residence Life and Housing. To obtain a RWU Guest Pass, please complete the Guest Registration Form found at the following URL:  
<https://www.rwu.edu/undergraduate/student-life/living-rwu/rwu-guest-pass>
- G. **NOISE/QUIET HOURS/COURTESY HOURS.** It is the responsibility of residents to always be courteous and to maintain reasonable conditions for studying throughout the day. The right to study and sleep precedes any other privileges such as visitation and/or excessive noise. Noise levels should be limited so as not to disturb other residents - there are always 24-Hour Courtesy Hours. The Department of Residence Life and Housing has the responsibility to determine Quiet Hours guidelines for all residence hall facilities. Quiet Hours are defined as hours in which residents and visitors shall be quiet as determined by the Department of Residence Life and Housing. The Residence Hall Council of each residence hall determines the specific quiet hour timeframe from the Residence Life and Housing guidelines.
- H. **SMOKING/TOBACCO POLICY.** All residence halls including apartments are smoke-free. Smoking is only permitted at designated gazebos. The use and possession of Hookahs and the use of vaporizers, juling devices and other tobacco smoking devices is not permitted in any residence halls including apartments.

- A. Students are responsible for the cost of repairs for any damages they cause to the living area or any other area of University operated property. Each student is also responsible for damages caused by their guest(s).
- B. Damage repair costs completed during the agreed upon time of occupancy will not be taken from the Housing Damage Deposit but will be paid by the student upon completion of the repairs. Damage assessments made during the academic year, at the end of the year, when a student withdraws from the Housing and/or upon graduation from the University must be paid by the student upon presentation of the bill by the University if in excess of the Housing Damage Deposit. If the bill is not in excess of the Housing Damage Deposit, the damage assessment will be deducted from the Damage Deposit. Students are not permitted to make repairs themselves.
- C. Students may be assessed a charge for any of the following - although not limited to -
