Roger Williams University has implemented a health provision that works in conjunction with Blue Cross & Blue Shield of Rhode Island. This provision is a "plan" within your medical insurance plan that pays a portion of your in & out of network deductible medical claim. The plan is called a "deductible health reimbursement arrangement" (HRA).

Your primary insurance plan with BCBSRI includes an in & out of network deductible of \$7,000 for individual plans and \$14,000 for family plans. Your employer's HRA is put in place to pay a majority of your deductible expenses after you pay a small first portion of the deductible amount. Below describes the services applied toward your deductible, the amounts you owe, the amounts your HRA pays, and the amount BCBSRI pays after your deductible is satisfied.
