Frequently Asked Questions:

How do I track my wellness activities?

Go to the **Rewards** tab from the menu. Choose **Wellness Path** and scroll down to select **Your points earning history**. See below for how to sync a device.

How do the points milestones/levels work?

There are 4 milestone points levels in BlueCare Connect. Level 1: 1,500 points | Level 2: 3,000 points | Level 3: 4,500 points | Level 4: 6,000 points. The 6k points threshold or milestone level acts as your "key" that unlocks the quarterly sweepstakes. Once you meet this final threshold, your earned points no longer appear in your points balance. *Only points earned after reaching the threshold can be used for sweepstakes entries.*

How do I sync a fitness tracker or device?

During your initial onboarding, you may have the option to connect a health tracker. If this step was skipped, or you need to add or resync a tracker, you can go to **Sync trackers and devices** either from the **Rewards** section. Locate and select your device or app. You will then be sent to that tracker's corresponding webpage. *If you need help or more information, go to **Settings** and tap **Help & Support** to locate [additional FAQs](#) and/or **Tracker Support**.*

*To track activities manually, select the option to **Log Activities** under the **Rewards** tab, located at the bottom under **Resources**. Use the drop-down menu to **Search** for an activity. Then, adjust the slider bar as needed to record minutes, steps, calories, etc.*

How do I track Healthy Habits?

On the **Home** page, scroll down to find **Healthy Habits** or select it from the **Rewards** tab.

- Select up to two habits at a time.
- Schedule reminders for when you want to practice your new habit(s).
- Track your new habits and earn daily points.

How do I create a challenge?

From the **Rewards tab** scroll down to click **Create Step Challenge**. You have the ability to invite up to 50 friends to participate in the challenge with you. *Users may only participate in one challenge at a time, and you will not be able to invite a friend that is already participating in a challenge.*

Can we earn points for participating in wellness programs outside of BlueCare Connect?

Yes, you can earn 50 points each month for participating in a wellness event such as a seminar, webinar, or group exercise class. After participating, go to the **Rewards** tab and click **Benefit Programs**. scroll down and select **Events & Webinars**. Click the "Start" button on the month, then tap "Yes" and "Submit" button.

How do I receive points for my annual well-visit, preventive screening, Delta Dental preventive visit, or Vision Exam? Any visit coded as your annual preventive well-visit or eligible preventive screening through your BCBSRI plan OR preventive dental exam/cleaning will automatically feed over into BlueCare connect through your integrated claims or Delta Dental records – no need to fill out any special form! It may take 30-60 days for your claim to process. Contact HR if you don't see points.
