

# RWU Student Password Reset

Changing your password for all RWU services is easy and convenient. A password change can make your accounts more secure, and allow you to have a more memorable password. To begin, open your web browser and navigate to **smop.rwu.edu**. Here you will see two pictures, the Mt. Hope Bridge on the left, and the GHH on the right. Click the picture of the GHH to proceed.

RWU MyID Password Management

For Administration and Staff on [Rwu.edu](http://Rwu.edu), please click below:

For Faculty and Students on [Academics.rwu](http://Academics.rwu), please click below:

For detailed instructions about how to use this tool, click [here](#). If you have any further questions about using this tool, please call MediaTech at 401-254-6363.

On the SMOP site, you will need to enroll before you are able to change your password. Click the "Enroll" option on the menu to the left, and enter in your default username and password. Once you have entered your information, login and complete the list of security question when prompted.
