

Dear Students:

Your assigned date and time for registration is listed by your student ID number at the link below. Please contact your advisor prior to your registration time, so they can lift your advisor hold. Your advisor can be found on the myRWU portal under – Academic Profile under – My profile. **SENIORS:** If you receive a time and you are not continuing on in a graduate program, please disregard this email.

PRIORITY DATE AND TIME - http://www.rwu.edu/sites/default/files/downloads/registrar/registrar_rgpr_scs.pdf

Registration can be done through [myRWU](#) portal or by using the [RWU Mobile App](#)

[MyRWU SELF-REGISTRATION TUTORIAL](#)

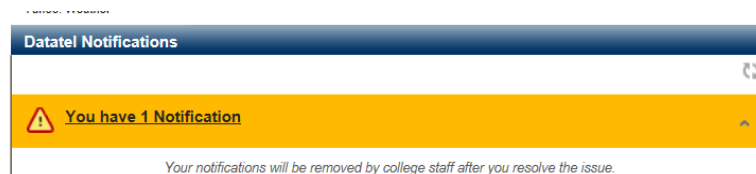

Your registration time is based on credits earned through the end of winter 2017 (does not include courses you are currently enrolled in), graduate students will register for the summer and fall 2017 sessions beginning at 8:30am on March 27, 2017.

We recommend reviewing the [myRWU Tutorial](#) and [RWU Mobile App](#) instructions prior to your assigned registration time, it will be 15 minutes well spent. A computer algorithm has assigned your priority time based on credits earned and your current class schedule (you will not get a time while you are in class). In the case of first semester graduate students with no credits earned, the assignment will be random.

Students may register at their pre-assigned time or any time thereafter.
