

Success in Steps

You've got the skills. We'll award you the credit.

Roger Williams University

SCHOOL OF CONTINUING STUDIES

Bachelor of General Studies in Technology, Leadership & Management

This concentration is designed for people with technical and/or managerial backgrounds employed in manufacturing, service, or technology-related industries, or who seek employment in such industries. The program will provide students with a foundation of leadership, strategic, and technology management skills. Because of the available electives, this program allows students the opportunity to focus on specific industries such as technology management, manufacturing, healthcare, environment and safety or public administration.

The School of Continuing Studies

The School of Continuing Studies (SCS) at Roger Williams University is committed to helping you take the next step in your education. Whether you're looking to advance or change career paths or simply fortify your personal knowledge, SCS has a range of options that include degree completion, professional programs and enrichment courses.

Offering more than a dozen degree programs as well as undergraduate and post-graduate certificate options, SCS graduates are highly prepared for a variety of in-demand careers. With flexible scheduling and the opportunity to transfer up to 90 credits of previous coursework, military training, and professional and life experience, SCS will put you on the fast track for your future goals.

The School of Continuing Studies is also home to the Professional Education Center, specializing in personal, professional and custom corporate education and training programs.

CONTINUOUS ACADEMIC ADVISEMENT

At the School of Continuing Studies we offer each of our students a personal advisor who will help you with scheduling, enrollment and any other issues that may arise throughout your time at RWU. We do this because we believe that the best academic experience comes from a support system that you can always count on.

FINANCIAL AID & SCHOLARSHIPS

Students in the School of Continuing Studies are eligible for all of the traditional forms of financial aid that are normally associated with adult and continuing education students. In addition, our Advisory Board for Continuing Education makes several scholarships available each academic year to eligible students enrolled in the School of Continuing Studies, based on a combination of financial need, academic promise, prior academic experience and/or community service. Applications for these scholarships may be obtained through the School of Continuing Studies main office.

Additional Degree Options

Certificate in Environmental, Occupational Safety and Health

MESSAGE FROM THE DEAN

Dear Prospective School of Continuing Studies Student,

The decision to begin or complete an education program is a big one. It's a commitment of critical time and resources, so it's important to know that the University you choose will partner with you from start to finish.

SCS understands the need for an affordable, high-quality education that's tailored to your schedule and educational goals: degree completion, career training or both! We ensure that our programs are relevant, tied to industry needs, and provide you with the skills, knowledge and experience you need today so you can be ready to adapt and thrive in tomorrow's evolving marketplace.

"We're an open-door community with personalized advising and attention so you can get the most out of your education."

But most of all, we're here to support you. We're an open-door community with personalized advising and attention so you can get the most out of your education. Finally, we're committed to awarding you the most credit possible for your professional, life and educational experience, helping you fast-track your future goals.

We look forward to helping you create your next opportunity.

Jamie E. Scurry
