OVERVIEW

The Town of Bristol/Roger Williams University Cooperative Committee (the Committee) was formed in September 2007. Its charge is to:

• Make recommendations to the Town Administrator and University President for the allocation of $25,000 per year of funds that have been pledged by RWU as part of their voluntary agreement with the Town, to be used for civic activities. These recommendations will be agreed upon by majority vote.

• Discuss items of mutual interest and/or concern to the Town and the University and make recommendations to the Town Administrator and University President regarding resolution of such matters.

• Operate as a forum to raise other issues involving the Town and the University relationship

Membership on the committee is comprised of 12 individuals, with equal representation from the Town of Bristol and Roger Williams University.

Grants from the $25,000 Fund for Civic Activities (FCA) may support a broad range of projects and services proposed by individuals or non-profit organizations that work toward enhancing the civic experience in the Town of Bristol.

Applications will be accepted, and grants made, two times per calendar year: once in the spring and once in the fall.

OPERATING FRAMEWORK & REVIEW PROCESS

The Town of Bristol/Roger Williams University FCA was created to augment civic engagement and enhancement opportunities within the community of Bristol. Its purpose is to promote community involvement and civic engagement for all members of the Bristol community. With this in mind, we feel it is appropriate that the operational framework be structured with a keen focus on currently unfunded and topical needs of the community. Basically, the requests should drive the selection process.

The Committee will accept applications from individuals and non-profit organizations operating in the Bristol community for a charitable purpose. By signing this form you certify that you are a non-profit organization or are acting on your own behalf.

The Town of Bristol/Roger Williams University Cooperative Committee will review proposals. The Committee will make recommendations on all grant awards. All grant recommendations are subject to final review and approval of the Bristol Town Administrator and the President of Roger Williams University, whose decisions are final.

All applications will be evaluated utilizing the Request for Proposals evaluation form. This evaluation form is available to all applicants and should be read in conjunction with the application’s instructions.

All funding recipients must submit a grant report and may be asked to provide a presentation to the Committee. The grant report is due NO LATER THAN one year following receipt of grant funds.

GRANT GUIDELINES

The goal of the Fund is not to replace or be a substitute for public support for the Town’s budget, but instead to enhance the projects, programs and services for all residents of the Town of Bristol.

FCA funds are not intended to become part of an organization’s or project’s annual budget, as subsequent proposals will be considered independently and are not guaranteed to be awarded repeatedly.

1. ELIGIBILITY

Individuals and non-profit organizations that work toward enhancing the civic experience/community life in Bristol are invited to apply for grant funding.

Proposals should positively impact the civic experience for Bristol residents, with particular attention to those populations who may be typically underserved. Proposals should not request money to replace existing public funding.

- Preference will be given to proposals that request funding for direct costs of new initiatives.
- Volunteerism and matching funds, either in-kind or cash, are encouraged by the Bristol/RWU FCA.
- A maximum of one grant per organization will be awarded per funding cycle.
- Reapplication for the same project (in the next funding cycle) may be made by letter, referencing the previous application and noting any changes. Your application must include amount of funds being requested in current grant cycle.
- Incomplete applications will not be considered.
