

Art on Campus is a program highlighting student, faculty and guest and permanent artwork on the Roger Williams University campus, whose aim is to celebrate the creative spirit of the university. Works and installations may be found in the interior and exterior locations noted on the map here, for a variety of time periods ranging from two weeks at a time to semester or year-long formats.

The program is coordinated by the Art on Campus Committee composed of faculty, students and staff. See the [website](http://www.rwu.edu) for more information.
