The Job Lot Educator Partnership Program

Most of us understand that teachers and educators of all types have been reaching into their own pockets for years to help supplement the school supplies available to their own students. With budgets smaller than ever, a more costly contribution will fall on the shoulders of our educators. Job Lot intends to address the issue by partnering with educators and allowing them to purchase quality, brand name supplies at 30% off our regular or sale price.

The Educator Partnership Program

Participants receive 30% off the purchase of eligible classroom supplies, at all Job Lot stores between 8/11/11 and 8/31/11

Who can participate?

All teachers, educators, school management and support personnel authorized to make purchases on behalf of their school are eligible to receive the Partnership discount. Proof of employment is required. Documented homeschoolers included.

What products are eligible for discount?

Eligible products include a wide variety of quality, brand name stationery products and art supplies ranging from writing instruments, markers and crayons to poster board, staplers and artist materials, a total of 924 products in 75 different categories. However we are not offering savings on sweatshirts, dog food, greeting cards, hammers, trash bags, ketchup and other products that have nothing to do with the classroom.

Proof of eligibility:

All program participants will be required to provide proof of school/system employment upon checkout:

Acceptable forms of ID include:

- School ID with picture
- School ID (no picture) with Driver's License
- School/System pay stub with Driver's License
- School/System business card with Driver's License
- School/System stationery (personalized) with Driver's License
- Proof of home school participation such as: Home School Association membership, State authorization/approval documentation

Check-out procedure

1. Consult the list of eligible products **BEFORE** you reach the register in order to make the check out process easier.
2. **Separate all classroom products eligible for discount from any personal products** you may be purchasing. Personal products may be purchased with a separate transaction.
3. **Notify the cashier IN ADVANCE** that you are an educator and that you have your photo ID available for viewing. Your discount will be calculated at the conclusion of the transaction and it will appear on your receipt.
4. **All standard payment terms and conditions apply.** In the event a school/system check is to be used for payment, consult the sore Customer Service Desk before checking out.

Program period: August 11th through August 31st, 2011.

Participating Locations: All Ocean State Job Lot locations in RI, CT, MA, NH, VT, ME and NY.
